The Way to Kill a Town. The Huntington Journal tells it in this way: If you have a house to build, send off for all the material, build, send off for all the material, and even employ workmen away from home to do the job, while your home mechanics lay idle for something to do. Send what money you have to expend away from home. You will probably get it back again but woe to the mechanic and laborer, if he must wait until it comes. It may do for those who can stand it, yet it will never do for the Poor Man, as he must go somewhere to get his bread. We also keep the Plain Cherry, which is the best brand of low grade Tobacco made. GATES & DELIN. must go somewhere to get his bread.

If you see a stranger come amongst you, just pick and fleece him of all he has. It will make you rich, but it does not give the people of your place a good name abroad, and noone would The most exquisite tastes can be pleased in our stock of Cigars, at lower prices than in any other house in Ohio.

June 5, 1872. GATES & DELIN. wish to settle where they were in danger of thus being robbed of what they have.

Frown down every attempt to im prove and advance the interests of the place, because your taxes are to be raised a mill or two, to make the necessary improvements.

If you have a newspaper in the place, don't support it. Say, "it will not pay to subscribe for a paper, times are too hard,"

A storm of rails, such as Europe rarely experiences, has visited the northwestern portion of the Austrian Empire with disastrous effect. For three days the rain descended more in the form of water-spouts than as we are accustomed to consider it, and whole districts, giving promise of a speedy and abundant to consider it, and whole districts, giv-ing promise of a speedy and abundant harvest, were covered with water and ruined; while in Roumania and some other paris harvests are suffering equal-ly, but more slowly, by continued drouths and scorching aun. In some places in the valleys the tops of trees just peeped out, and in Bohemia people went over their farms in boats, though less serious damage was boats, though Morning and Evening Daily Cincinnati and Cleveland papers, at the City News Depot, one door south of the Post Office, Warren, O. less serious damage was done there than in other places. By this sudden calamity thousands were rendered homeless and houseless, and bereft of all their goods, while hundreds lest their lives in defense of their property.

Wholesale House in New York, Philadelphia, Rechester or Buffalo, My clothing and other goods are bought from good reliable first class houses, at the lowest market prices. Come and buy, you must be convinced, Tickets free, open at all hours of the day and evening. D. M. LAZARUS. The latest advices relative to the
